Jacksonville, FL (July 23, 2009) --- Robert (Bob) Rodeheaver has joined LISC Jacksonville as Program Assistant. He will be providing essential back office support in the grant/loan management, support to the LISC Jacksonville AmeriCorps program, and logistical support for meetings and events. The announcement was made by Joni Foster, Executive Director of LISC Jacksonville.

Rodeheaver comes to LISC Jacksonville after a 28-year career in human resources with both the Duval County Public Schools and the city of Jacksonville. His previous experience includes overseeing back office processes for hiring staff; drafting and/or maintaining job descriptions/specifications; conducting job audits and salary reviews; and conducting payroll and leave audits. As Human Resources' Budget Officer, he was responsible for developing and monitoring the annual budget. He also participated in the city's process in seeking and winning the Governor's Sterling Award.

He holds a B.S. in Business Management from Jones College, Jacksonville, and is an honorably discharged member of the U.S. Navy. He met his wife Susan at the downtown Jacksonville USO while stationed at the Mayport Naval Base.

"Bob's position is an important one to LISC Jacksonville because we require a strict accounting of financing for all our projects," said Foster. "His experience with both the Duval County Public Schools and city will be invaluable as we continue our work in the community."
